Certificate in Environmental and Natural Resources Law Paper Requirement Form

Anticipated Degree Date:
List below the research paper you have written on a topic that relates to environmental and natural resources topic. The paper must be "substantial" meaning it counts for at least half of the grade in a course and several writings in a course could cumulatively count for this requirement. Submit one form for each of the two required papers.
Please note: The papers for the Environmental and Natural Resources Law certificate must be separate from the paper required for the Energy, Innovation, and Sustainability certificate, if applying for both certificates.
Students must obtain the approval of the Certificate Administrator if using a paper from clinic work or individual research. A signature is not required if a paper is used from one of the courses listed on the certificate page.
